3rd CWC PNG Petroleum & Energy Summit

Dear Participants,

The Ministry of Petroleum will continue to give its full support to this the 3rd CWC PNG Petroleum & Energy Summit, which will take place on 19-21 March 2019, in Port Moresby.

Following two highly successful Summit's it is my ambition to ensure the Summit continues to act as the annual meeting platform for the industry to share project updates, discuss key opportunities available in the petroleum sector and to engage in dialogue regarding future strategies for expansion.

The Ministry of Petroleum will be using this annual Summit to disseminate key industry updates and announcements and encourage active participation from all stakeholders already involved or looking to get involved in the energy sector of Papua New Guinea.

I encourage all companies involved in the Petroleum sector to participate in this important industry event and look forward to welcoming you to PNG.

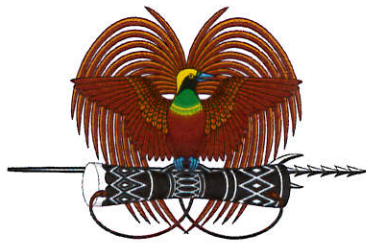

As Minister Petroleum in Papua New Guinea, I am delighted to support the 3rd PNG Petroleum & Energy Summit. The Papua New Guinea Government remains ready to welcome companies and individuals to Port Moresby for this event.

Yours sincerely,

Hon. Dr Fabian Pok, Mec, Ph.D, MP,

3rd CWC PNG Petroleum & Energy Summit

Dear Participants,

It is with great pleasure that I can announce the 3rd Papua New Guinea Petroleum & Energy Summit, which will take place on 19-21 March 2019, in Port Moresby. The Summit will receive the full support of the Ministry for Communications, Information Technology & Energy alongside the Ministry for Petroleum.

The two previous Summits have been hugely successful, not only in terms of stimulating in-country dialogue but also in terms of showcasing opportunities which exist for investment and collaboration in the Energy sector. There was a strong focus on Energy at the second summit and this theme will continue for the third edition.

The Ministry of Communications, Information Technology and Energy will continue to use the Summit as a platform for key industry updates and announcements and encourages active participation from all stakeholders already involved in or looking to get involved in the energy sector of Papua New Guinea.

As Minister of Minister for Communication, Information Technology & Energy in Papua New Guinea, I am delighted to support the 3rd PNG Petroleum & Energy Summit. The Papua New Guinea Government remains ready to welcome companies and individuals to Port Moresby for this event.

Yours Sincerely,

Hon. Sam Basil, MP
Minister for Communication, Information Technology & Energy
